

THE YALE

AMERICA'S OLDEST UNDERCLASSMAN A CAPPELLA GROUP

# SPIZZWINKS(?)

SINCE 1914 ■

## AT A GLANCE (CONTINUED)

### HISTORY:

The Spizzwinks(?) were founded in 1914 as a satirical response to our stodgy predecessors, the Whiffenpoofs. Because of our old age, we have a lot of traditions, such as our white tie and tails, the red converses, and group positions that have been handed down for decades. Particularly exciting is the fact that we're coming up on our 100th birthday, meaning that the Class of 2016 will be a part of our centennial year!

### MEMBERS:

The Spizzwinks(?) is a diverse group of individuals whose majors are scattered throughout the disciplines and whose interests include Yale College Council, YHHAP, Karate, the Dramat, and even the gaming club. As you go through the rush process, remember that while every a cappella group has talented singers, you'll probably get along with members of some groups better than others. Events such as Rush Meals aren't interviews; they're opportunities for you to decide which group of people you'd like to spend the most time with over the next three years.
